Depart Auckland over the Harbour Bridge and follow the coastline north. Have a coffee break and leisurely stroll along Orewa Beach before a 10-minute drive north to Puhoi Village.

Enjoy a trip to the Puhoi Cheese factory and Dalmation Museum before continuing North to Warkworth. Take a picture with one of New Zealand's largest Kauri Trees at the Parry Kauri Park then enjoy a fantastic lunch at one of the stunning vineyards in the area. (PCD personal preference is Brick Bay)

After lunch, experience creativity like never before at the Brick Bay Sculpture Park. Enjoy an interactive trail that shows you gorgeous New Zealand countryside with breathtaking sculptures amongst it.

Finish your tour returning to Auckland and viewing the city atop of Devonport before crossing back over the harbour bridge.

No tour is the same. Drivers will discuss with the passengers what their interests are and tailor the above to include different highlights or restaurants that align with the clients personally.
